## How Hire Purchase works

Hire Purchase from MAN Financial Services allows you to efficiently own a MAN commercial vehicle, spreading the cost to suit you and your business. We offer flexible deposits and a hire period from 12 to 96 months. This option allows you to keep bank funding lines for core business investment.

After making the primary period payments, there's a small option-to-purchase fee enabling the title of the vehicle to pass to the customer.

## Key benefits

- Customers can make full use of Annual Investment Allowance as well as Writing-Down Allowances
- Interest payments are tax-deductible
- VAT can be recovered on the asset purchased
- Customers can benefit from additional lines of credit
- Shown as an asset on your balance sheet
