

AJP Logistics Ltd Invest in MAN with MAN Financial Services.

AJP Logistics Ltd, who are primarily based near Manchester, with an additional presence in several other locations nationwide, specialise in 24/7 urgent haulage.

With unique capabilities such as truck mounted forklifts (moffetts) with four way steering and sliding roof trailers for crane access, AJP Logistics pride themselves on providing an efficient, reliable and

professional transport service all whilst maintaining a commitment to delivering the highest level of customer service, with the job and goal in mind.

We caught up with Andy Plant, owner of AJP Logistics Ltd to ask him about his latest investment in MAN.

What made you decide to invest in MAN?

MAN is a proven cost effective truck to not only own, but operate. It has a strong image on the road and is backed up by an impressive 2 year TopCare warranty.

Why did you choose to use MAN Financial Services?

Their direct link to the manufacturer was a reassurance as it was obvious they specialised in the industry. The rate was very competitive, so it was an obvious choice for AJP Logistics Ltd.

How was the customer service from MAN Financial Services in 3 words?

Prompt, Efficient and Informative

Where are AJP Logistics Ltd heading next?

The aim is to continue to build our solid reputation amongst our customers and by doing this, continue to be a trusted 'Go To' for urgent haulage requirements to our expanding customer base. This latest MAN tractor unit will become a reliable addition to our business, helping us achieve future growth.
